### *From the Pastor's Desk.....*

Today is the Twenty-Ninth Sunday in Ordinary Time and we encounter Moses parting the waters so the Israelites can get to the Promised Land. He asks God's help and God responds by giving Israel the victory. Note the weariness of Moses as Aaron and Hur hold up his arms so that he may hold his staff. He is doing all that he can to support Joshua whom he has sent into battle. We find a timely confluence of images: the physical battle of metal meeting metal and a spiritual battle as Moses prays to support the men who give their lives to protect the Promised Land. The words describing that effort ("his hands remained steady till sunset" support today's Gospel message regarding the need for constant prayer.

This text, written to Timothy, should echo in our own minds and become the fuel that drives our hearts. Only one who loves God's Word, who has put that Word to use and learned from it could speak with such conviction of the need "for teaching, for refutation, for correction." Add to that the fact that Paul is writing from prison anticipating death and it takes on the tone and urgency of a dying man's final wish. The final lines take a serious tone as Paul reminds Timothy to proclaim the Word. Paul willingly suffered for that task and asks Timothy to be as committed, even as willing to suffer.

How does the theme of persistence jibe with Jesus' other pronouncements regarding the need for simplicity in prayer and his admonition to avoid babbling like pagans who think they will be heard because of their many words. The fit is seamless if we realize that Jesus is calling for persistence in faith, not multiplication of words. We must return to God again and again, not with lone discourses, but with simple faith that in humility of heart and in plain language, places our

needs before Him. If the uncaring and unjust judge rules favorably because of persistence, how much more will the all-merciful God respond to the manifest faith of earnest and humble believers.

Did you ever know how Taps came to be? In 1862 during the Civil War, Union Army Captain Robert Elli was with his men near Harrison's Landing, Virginia. The Confederate Army was on the other side of the narrow strip of land. During the night, Captain Elli heard the moans of a soldier who lay severely wounded on the field. Not knowing if he was Union or Confederate, he crawled on his stomach through the gunfire and reached the soldier. Pulling him toward his encampment, he discovered he was a Confederate soldier but he was dead. When he lit a lantern, the captain went numb with shock—it was his own son. The boy had been studying music in the south and did not tell his father he had enlisted. Heartbroken, the captain asked permission for a full military burial with a band. The request was denied because he was a Confederate, but out of respect for the father, they gave him one musician. He chose a bugler and asked him to play a series of musical notes he found on a piece of paper in the pocket of the dead youth's uniform. The wish was granted and the music became the familiar Taps.

Sunday, November 13, the Diocese will sponsor Family Fest '16 from 11 AM—5 PM at the Ambassador Center. The event will feature national speaker & musician Chris Padgett and the cost is \$10 per person or \$40 per family and will include lunch and a 4 PM Mass. Bishop Persico formed a new Youth Board for the diocese and entrusted them with planning, designing, etc. the event. In the past, adults had been planning their events and they weren't working. If any families are interested, please contact the parish office and we will register you.

*From the Pastor's Desk continued.....*

New guidelines from the diocese state clearly that we are not permitted to "accept any political advertisements of any kind, allow political signs on church property, rent facilities for partisan events or issue statements for or against any party platforms or political candidates."

I recently paid the property taxes for St. Patrick's to the city of Erie. They were \$4,479.

We recently hosted a "thank you" cocktail party at the rectory for the major donors to the Catholic Service Appeal. Over sixty people attended which is an indication of how well the parish generously supported that appeal this year. You may recall our assessment was \$64,000 and we generated over \$102,000, the difference of which remains in the parish. I also have to tell you that it's nice to see this huge old house full of people.

We also recently hosted a similar thank you party for the major sponsors of the Irish Festival. Dennis Michalski, who solicited the ads for the program, and Gary & Becky Johnson joined me in thanking all of these sponsors. In addition, Gary & Becky Johnson hosted all of the Festival Committee chairs and their spouses at a similar party at their home. Finally, Patty Brunner took over all of the finances this year and did an incredible job of tracking when and where we were successful.

We recently put a new back door on St. Patrick's rectory as well as a new door into the house from the side porch. Both of those earlier doors simply had a pane of glass that anyone could have broken and gained entry. Fortunately, we've never had an incident, but the new doors provide much greater safety.

Answers found on second grade test papers.  
"The first book of the Bible is Guinnessis, in which Adam and Eve were created from an apple tree."  
"Noah's wife was called Joan of Ark." "Lot's wife was a pillar of salt by day and a ball of fire by night."  
"Unleavened bread is bread made without ingredients."  
"Moses went to the top of Mount Cyanide to get the Ten Commandments."  
"The sixth commandment is 'Thou shalt not admit adultery.'"  
"Solomon had 300 wives and 700 porcupines."

### October is Polish Heritage Month

Panna Maria (meaning Virgin Mary) is the oldest Polish settlement in the United States. Panna Maria was founded by Father Leopold Moczygemba and about 100 Silesian families from Pluznica and surrounding villages of Silesia, Poland.

They left Poland and after a nine-week voyage at sea, they reached the Port of Galveston. They hired carts to carry their belongings and walked to the junction of the San Antonio River and the Cibolo Creek where they celebrated their first Mass on December 24, 1854 under an oak tree. In 1855, they built their first Church next to the oak tree and dedicated it to the Virgin Mother.

"The Church's foundation is unshakeable and firm against the assaults of the raging sea. Although the elements of the world crash against it and batter it, the Church offers the safest harbor of salvation for all in distress."

St. Ambrose
